

Evacuate immediately if told:

- Listen to your battery-powered radio and follow the instructions of local emergency officials.
- Wear protective clothing and sturdy shoes.
- Take your Disaster Supplies Kit.
- Lock your home.
- Use travel routes specified by local authorities. Don't use shortcuts, because certain areas may be impassable or dangerous.

If you're sure you have time:

- Shut off water and gas before leaving, if instructed to do so.
- Post a note telling others when you left and where you are going.
- Make arrangements for your pets.
